

QUALITY CONTROL AT GABY COOL TRANSPORT PTY LTD

Refrigerated and frozen transport involves time dependent deliveries. Our rapid responses and pro-active policies ensure your frozen and chilled deliveries arrive on time and at the right temperature....because that's critical!

Gaby Cool Transport is a current member of Safe Food Queensland. All our trucks adhere to Safe Food Queensland standards and are audited regularly. Below is a list of our Accreditation numbers with the **expiration date of 31 December 2018**. Accreditation Certificates can be viewed by clicking on a fleet number below.

Fleet No	Registration	Accreditation	Fleet No	Registration	Accreditation	Fleet No	Registration	Accreditation

With the transportation of refrigerated goods being the core of our business, Gaby Cool Transport ensures that all of our operations are conducted within the legislative guidelines set down for our industry.

All drivers are thoroughly trained on the policies, procedures and work practices relating to the operation of our vehicles and the transportation of frozen and chilled deliveries. Our drivers are fully aware of their responsibilities and exercise a great degree of care as representatives of Gaby Cool Transport. Each driver undertakes a Certificate III of Road Transport and Distribution as part of our Quality Control procedures, which enhances our ability to uphold legislative requirements and provide a responsible compliance assured service.

Gaby Cool Transport has strict procedures and risk management systems that maintain, monitor and provide controls for all areas of our business, including but not limited to:

Driver Fatigue
Driver Rest Periods
Safe Driving Practices

Load Securing
Temperature Control
Vehicle Mass Limits

Truck Hygiene
Truck Safety
Truck Maintenance

If you have any questions or require further information, please do not hesitate to contact our office on 07 5598 4400.

Regards,

The Gaby Cool Transport team
